Subsequently, we will proceed with a Collaborative Timeline Overview, as discussed during the on-boarding meeting.

TBD

After the on-boarding meeting, the contract will be sent for your review. During this meeting, we will determine the required coverage time/hours for your wedding. Submission of both the contract and a non-refundable \$500 retainer is necessary to secure your date and proceed with my photography services. The retainer serves to offset the overall cost of your chosen package or services. Additionally, the contract will be customized to encompass delivery expectations, coverage hours, gallery presentation, and delivery method. The overall cost compensates for various time investments, including preparation, consultations, timeline creation, equipment/software, hourly coverage, post-processing (editing), and delivery. Securing your retainer guarantees the pricing for the period of 2024. Your understanding and adherence to these terms are appreciated, ensuring a seamless partnership for your wedding day.
